

CHEF ALEKSANDER YOURZ AT RESTAURANT TORRE OF FONDAZIONE PRADA FROM SEPTEMBER 22 TO OCTOBER 6

From September 22 to October 6, 2018 Restaurant Torre at Fondazione Prada welcomes Aleksander Yourz, chef of the Bernardazzi restaurant in Odessa (Ukraine), who presents a 5-course tasting menu of the most representative dishes of his gastronomic culture.

In Yourz's cuisine, authentic flavours and recipes are re-elaborated in a continuous research with the aim of crossing the boundaries of traditional Ukrainian cuisine to a cosmopolitan sphere, through new and unusual combinations of selected local ingredients.

The collaboration with Aleksander Yourz is part of the 'CARE's Chef Under 30' project that the Torre Restaurant and Fondazione Prada support with three-Michelin-star chef Norbert Niederkofler and Paolo Ferretti, both promoters of 'CARE's - The Ethical Chef Days'. The project has already welcomed Ben Marks, Head Chef at Perilla restaurant (London) and Yury Kostorev, chef of the Red Fox restaurant in Sochi (Russia).

With this project, Restaurant Torre and Fondazione Prada aim to bring together different culinary cultures sharing values of sustainability and protection of local territories, environment and tradition to encourage a new approach in the food sector.
